## Company Profile

### 公司简介

**Tianjin Waysun Food Industries Ltd** was founded in 2012. It is a high-tech enterprise integrating the research and development, production and sales of tomato products. Waysun's products have been sold to more than 20 countries and regions, such as Africa, Middle East, South America, and Russia. Since the establishment, by adhering to the business philosophy of "Top Quality, Clients First, Best Products," the company has gradually gained a group of stable clients, also cultivated a professional management team with high caliber, and a highly skilled production team, these advantages provide a good management foundation and technical guarantee for Waysun's sustainable development.

In November 2018, the company acquired the largest production plant in tomato processing industry -- **Tianjin Chalton Tomato Products Co., Ltd.** With the acquisition of Chalton, Waysun's production capacity and efficiency have been greatly improved, which will construct a good foundation for the company in the industrial chain integration in the future. Waysun is located in Tianjin Airport Free Trade Zone of China. The plant covers an area of 46 Acres (about 185000 square meters), with a total investment of 100 million dollars. At present, Waysun has 7 complete production lines imported from Europe, including production lines for tomato products in tins and tomato products in sachets. Meanwhile, Waysun owns the world's advanced Italian SIG-COMACO filling and sealing equipments with a high level of automation. The company's main products are tomato paste, tomato mix, and tomato sauce, etc. According to the packaging types, the products can be filled in tins, in sachets, and in drums, etc. The capacity of tomato product processing is about 100,000 tons per year, with which Waysun ranks among the top tomato product manufacturers in the world.

Waysun relies on the tomato planting base in Xinjiang province as raw material support. Premium seed selection, cultivation, manual harvesting, raw material production, all processes are green in nature, which is the fundamental assurance of tomato quality. Our tomato products contain high lycopene with stable brix and bostwick, uniform in tomato tissue, and perfect in taste; they are highly approved by clients in China and abroad.

**天津威晟番茄制品有限公司**创立于2012年，是一家集番茄制品的研发、生产、销售于一体的高新技术企业，产品销往非洲、中东、南美和俄罗斯等20多个国家和地区。公司自成立以来，秉承“质量第一，顾客至上，争创一流”的经营理念，逐步建立了稳定的客户群体，同时也培养了高素质的专业管理团队和高技能的员工队伍，为公司的持续发展提供了良好的管理基础和技术保障。

公司于2018年11月收购行业最大生产规模的番茄制品企业——**天津中辰番茄制品有限公司**，这使得天津威晟在生产能力和效率方面得到了跨越性的提升，为公司在未来产业链整合中打下了良好的基础。公司位于中国天津空港保税区，建设用地278亩（约185000平方米），总投资额为1亿美元。目前拥有7条欧洲进口全套生产线，包括马口铁包装和软包装番茄酱生产线；同时拥有世界先进水平的意大利SIG-COMACO罐装封口设备，全线自动化程度高。公司主要产品有番茄酱、番茄调味酱、番茄沙司等。按包装种类包括马口铁罐、软袋包装、大桶酱等。已形成番茄原料加工能力10万吨的规模，位居世界前列。

公司以新疆番茄种植基地为原料依托，从良种选育、栽培种植，到人工采收、原料生产，全流程绿色天然，是公司番茄制品优良品质的根本保证。产品红色素含量高，浓度、黏度稳定，组织均匀细腻，口感极佳。
